

Advanced JEE Physics Electricity & Magnetism

By Rahul Sardana

Guiding Star Digital Publishers, New Delhi, 2016. Paper back. Book Condition: New. There has been a unmet need for books for the JEE with an integrated approach for both the Main and Advanced level papers. The books in the series provide the depth, topic coverage and clearwriting that are critical for successful preparation of the Advanced JEE Paper. Also, the books use proven pedagogical approaches and straight-forward learning features needed for test preparation for the JEE Main paper. Thus, each book will help you develop a solid conceptual approach and quantitative understanding of physics and give you tools you need to excel in your pursuit of high scores. This Advanced JEE Physics Series is written exclusively for both the main and advanced levels of the new JEE format to be conducted for IITs, CFTIs (Centrally Funded Technical Institutes) and other elite engineering Institutions in India. This book is enriched with detailed exhaustive theory introducing the concepts of physics; these concepts are presented in a clear, concise, thorough, and easy-to-understand language. A large collection of relevant problems is provided, in six major categories, the solutions for which are demonstrated in a logical and step wise manner.
