At the same time, practical advice is offered for helping challenged individuals to cope and to develop skills that can help them learn and develop. In the final chapters of the book, we examine spiritual yet not religious principles and teachings that Dr. Suglia has come to rely on as a source of healing and managing the stressors of life. Under the guidance of spiritual teachers, his journey continues through much geographical and social upheaval as the spiritual aspects of life give him an inner strength uncommon to most people with autism. Dr. Suglia offers advice to fellow people on the autism spectrum, helping them to discover life through an objective viewpoint while keeping in mind that there is a bigger picture to be explored.
