

10 SAT Math Tests with Explanation Book D

By John Su

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book provides a lot of the SAT math questions that include abundant the SAT math types. During the real test period, if the types of the most test questions examinee has met and practiced before, then the test result goes without saying. The explorations of this book primarily use the logical steps to let users easily memorize the methods of solving questions. The essence of mathematics is logic. Human thinking naturally accepts the formula of because and therefore. Hence, using mathematically logical steps to solve questions directly is in harmony with the natural function of human brain. Furthermore, it is helpful for memorizing because what you need to remember are the mathematically logical steps, which is refined and easily to be memorized, instead of the mixed explanations of English and math that are difficult to memorize. Success mainly comes from diligence. In most of the schools nowadays, students study multiple subjects in the same period of time. Under such condition, it is impossible to succeed without diligence. If you are not diligent, you then will not have...
