GOOGLE BETA 3

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Government watchdogs have failed to detect a Stanford-trained scientist performing illegal brain research on humans. Bernardo Bernhardt believes he s being guided by higher forces to subtly redirect the world s political and economic future. Having coerced CIA operatives into his scheme, he s perfected a computer system to broadcast a fine-tuned spray of microwave frequencies that alter a targeted person s thoughts and emotions - in whatever direction Bernardo chooses. Google s gotten wind of this tech breakthrough and sent out a team to obtain the IP and shut Bernardo down. Meanwhile our hero Jack Hadley stumbles upon the theft of an ancient Mayan phallic statue; the thief happens to be Mahalena Bernhardt, Bernardo s twin sister who s struggling to stop her brother from unleashing his terrorist technology on world leaders. Driven to revenge his father s recent murder, Jack teams with Mahalena as their paths converge - at Bernardo s highland Guatemala lab where a shocking climax awaits the duo. Unleashing seemingly-unstoppable white-collar bad guys on the world, this innovative thriller delivers a provocative, insightful, sexy and prophetic preview of our imminent future.
