I have recently retired from 25 years of teaching in the public and private school arena. My specialty has always been in early childhood education. For the last 13 years of my teaching career, I taught enhanced writing to first and second grade students. Upon retiring as an active educator, I have been continuing my own joy of writing and am working on three books at the present time. Just Ask Solomon is my first published work, and I hope you will find joy in reading to your children or listening to them read this book to you. I have three children and 10 grandchildren and reside in both Washington and Arizona. I continue to have a passion for bringing together parents and children in the conversation surrounding stories.
